Our Church Mission Statement

*We exist to connect with God
and with each other
in Thurston County and beyond
through intentional relationships*

Our ministry priorities are:

- Reconciling people to God
- Growing disciples who grow disciples
- Providing people with real solutions to real problems
- Serving each other and our community

Discipleship is the core of our ministry and we gather each Sunday to share and celebrate what God is doing in our lives.

Visitors

We are glad you are here to worship with us today! Please visit with us at the Connection Center to see what Mountain View has to offer in the way of ministries, Bible studies and classes for youth and adults.

Please complete the perforated Staying Connected card located at the bottom corner of this page so we will know you were with us today. Let us know if there is any way we can serve or assist you. You can drop the card in the offering plate or take it to the Connection Center.

Mountain View Church is a family-friendly environment. Children are welcome to attend Sunday Service with you or they may enjoy participating in KidzRock Children's Ministry. For parents of young children, we offer a family room and a mother's room for nursing moms. These two rooms can be found on either side of the main sanctuary. Please ask an usher if you need directions.
